

OUR SUPPORT FOR CHARITIES

Lontar Club has a policy of discretely supporting a number of charity organisations, financially – and we have been doing this annually and consistently over the years.

We disclose here some of the letters of thanks and acknowledgement received from beneficiary Charities these past five years only.

NB: Our policy includes not publicly disclosing or announcing amounts donated by the Club – the reason for taking out any references to amounts in the selected letters here.

Dear Mr Dobson

Thank you!

Thank you so much for your generous donation of £ towards The Prostate Cancer Charity's work. Your support is invaluable to us and your donation is gratefully received.

The Prostate Cancer Charity was established in March 1996 to improve the care and welfare of people whose lives are affected by prostate cancer. The Charity is the only organisation in the UK both to fund scientific research into the disease and to provide support and information to men with prostate cancer, their families and the public.

The Prostate Cancer Charity also provides support and information services, including a range of printed information, a telephone helpline service (0845 300 8383) staffed by experienced nurses, and a website at www.prostate-cancer.org.uk. Additionally the Charity also has a nationwide network of men with prostate cancer and their families, who are willing to talk to other individuals and the media about their experiences.

Thank you once again for showing your support for our work. If you would like any further information regarding the work of the Charity, please do not hesitate to contact us.

Kind regards
Yours sincerely

Dear Supporter

Thank you so much for your kind and generous donation to the BBC Children in Need Appeal.

Without the financial support from fundraisers and donors like you, we would not be able to fund the vast number of projects we do each year. We give grants to around 2,000 new projects every year and through these grants BBC Children in Need Appeal is able to help disadvantaged children and young people all around the UK, including those who experience homeless, neglect, abuse and poverty, as well as those with disabilities, terminal illness and addictions.

The Appeal promises that every single penny donated will be used to help children and young people. We can do this because all our costs – administration, salaries, promotional materials and postage - are paid for from the interest we earn while the money raised by the Appeal is held in the bank. So, if you have donated or raised £5, EXACTLY £5 would go to an organisation that supports children and young people. We do not employ professional fundraisers, so we rely on the imagination and generosity of people like yourself to enable us to continue our grant making.

We do hope you have enjoyed supporting the Appeal and would be delighted if you continue to do so. If you would like to receive our Supporter Pack every year and have not already asked to join our mailing list, please contact us by emailing pudsey@bbc.co.uk or by calling us on the telephone number shown above. Our Annual Report is now available and if you would like a copy sent to you please let us know. However, to help us reduce our costs, it is also available to read on our website www.bbc.co.uk/pudsey/aboutus.

Once again, many thanks for your kind and generous support.

With best wishes,

Yours faithfully
